Report

The first virtual webinar on ‘Career guidance for undergraduates and interns’ was organized on 19.08.2020, Wednesday between 5:00 and 6:00 P M through Google Meet platform. The target audience were 7th term undergraduates and interns of AIMS.

The resource person for the webinar was Dr. B J Mahendra, Professor, Department of Community Medicine, M.I.M.S. Mandya & Director of Prasara, RGUHS; President, Alumni association A.I.M.S., B.G.Nagara. He was also the former Director & Dean of Kodagu Institute of Medical Sciences, Madikeri.

This program was the first among the webinar series on ‘Career guidance’ being conducted by the institution for undergraduate students and interns. The purpose of this webinar series was to create awareness among the students about the career opportunities or options available to doctors after completion of internship and guide them in a way to help the students to choose the career of their interest confidently in future.

The program started at 5:00 PM with the **welcome address by Dr. Sudhir G K**, Professor & Head, department of Physiology and IQAC Co-Ordinator.

Following this was the **Key note address by Dr. M G Shivaramu**, Principal, A.I.M.S. & Dean, Health Sciences-Medical, ACU, who highlighted on the need for organizing such programs, to help the unaware & confused minds to plan for their career appropriately & confidently.

This was followed by a brief **introduction of the Guest speaker by Dr. Ajay N**, Assistant Professor, Department of Anatomy & Co-Ordinator of AIMS Alumni Association.

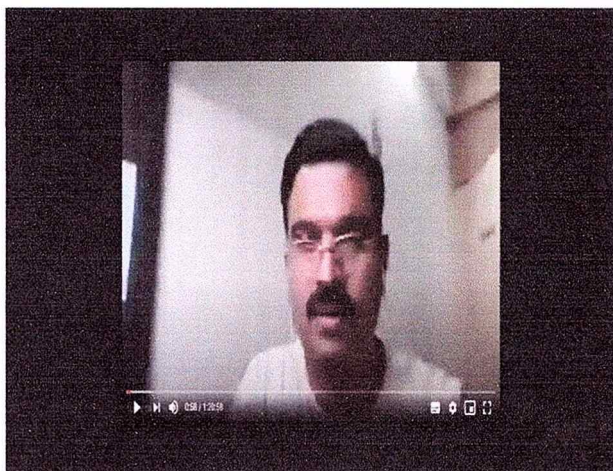

The interactive session on 'Career avenues for medical undergraduates – An insight & guidance' by Dr. B J Mahendra was initiated by Dr. Tejaswi H L, Associate Professor, Department of Anatomy and IQAC member, who moderated the session. The guest speaker at first shared his experiences as an undergraduate and postgraduate student and about his career choice.

He gave examples of alumni of AIMS who have achieved greater success in medical field and also in civil services, aviation, etc. He also mentioned on the importance of career mentorship program for students & suggested on formation of a 'career guidance cell' in the institution in order to guide the students throughout their undergraduate program.

Based on needs assessment done before the webinar, **Dr. Tejaswi HL directed the most frequently asked questions by the target audience towards the speaker**. Guest speaker concisely and clearly replied to most of the questions. He also emphasized on 'take home messages' for the students.

Feedback of the session from the participants was framed & administered by Dr. Vinay H.R, Assistant Professor, Department of Psychiatry.

The session concluded with rendering of '**Vote of thanks**' by **Dr. Aliya Nusrath**, Professor & Head, Dept. of Biochemistry & NAAC Coordinator, A.I.M.S.

Report

A panel discussion (Offline) on 'Career pathways and opportunities for the growth of students' was held on 27.01.2021 between 10:30 AM to 12:45 PM at Lecture Hall-1 of Adichunchanagiri Institute of Medical Sciences, BG Nagara. This was conducted as a part of Foundation course for the first-year medical undergraduates' of 2020 batch.

The purpose of the program was to create awareness among the fresh medical undergraduates about the wide scope and opportunities that are available to them following their completion of MBBS.

The program started at 10:30 AM with the welcome address by Dr. Vinaya M, Associate Professor, Pharmacology. The panellists invited for the program were Dr. MG Shivaramu, Principal, AIMS to represent the discussion from administrative aspects, Dr. Tejaswi HL, Associate Professor, Anatomy, as academician, Dr. Padmanabha TS, Assistant Professor, Pharmacology as researcher, Dr. Mamatha, Assistant Medical Officer, as officer in government service, Dr. Madanika, 2nd year postgraduate in Paediatrics and Dr. Prashanth, Intern. The panelists were introduced to the audience and welcomed.

The first half of the session was moderated by Dr. Sudhir GK, Professor & Head, Physiology to moderate the session. Dr. Sudhir requested the panellists one after the other to share their experiences as medical graduates, the job opportunities in each section of the medical field and the methods to select and access the interested field. The second half of the discussion was moderated by Dr. Tejaswi HL, one of the panellists.

All panellists shared their experiences as medical students and graduates and in their fields of work currently they are doing. They also explained about the job opportunities in the respective sections and methods to access these opportunities.

The students were solicited to raise their doubts if any in this regard. Few students raised their questions mostly with respect to USMLE examinations which were duly answered by the panellist Dr. Prashanth.

The panel discussion continued till 12:45 PM which was then concluded by the 'Vote of thanks' by Dr. Tejaswi HL.

Report

Communication skill practices commenced on the 20.07.2021 and ended on the 23.07.2021. Going by the above analysis, the exercise covered a period of six days. Participated all the 83 students in the communication skill programme.

The students were made to choose topics of their interest from their teaching areas and prepare a communication skill lesson plan which should last for only six minutes. During the assessment, the following areas were observed and awarded marks;

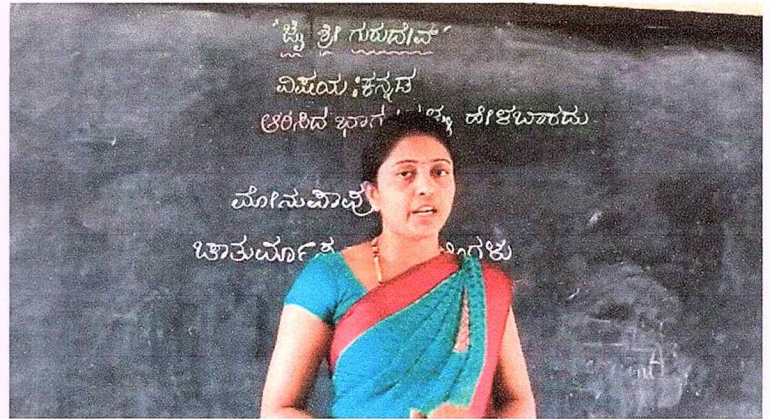

No	Areas	Marks
1	Episode plan	02
2	Execution of the plan in terms of <u>Verbal communication:</u>	03
	1. Clarity of formation/Content	
	2. Use of Language related skills	02
4	<u>Non-verbal communication</u>	03
	<u>Total</u>	10

By the above mark allocation, the total marks stands of at 10 marks for the each pedagogy. The presentation was done individually in the communication skill under the dearest super-vision of a supervisor and their colleagues. There were comments at the end of each presentation from the supervisor and critiques from the participants. The trainee Teachers were observed by their colleague and eventually received feedback on their performance. It was based on these performances that marks were awarded.

The poster features a dark background with a red and white border. At the top left is the Adichunchanagiri University logo, and at the top right is the BGS First Grade College logo. The text in the center reads: "SPECIAL LECTURE SERIES 2021" in large white letters. Below this, it says "MAY 15 SATURDAY AT 11:30 AM". The topic is "Topic: 'Personal Finance'" and the speaker is "SPEAKER KANALARASAN BM". At the top, there is a banner with "II JAI SRI GURUDEV II".

Online Platform

BGS First Grade College had organized an Online Special Guest Lecture on “**Personal Finance**” on 15th May 2021 from 11:30 AM to 12:45 PM. The resource person for the program was Mr. Kanalarasan BM, Educator and Content Developer at unacademy.

Mr. Kanalarasan highlighted the best utilization of finance. The talk included power point slides which was easy for the students to understand the topic better. The queries of the students were clarified at the end of the talk.

The speaker of the session was introduced and moderated by Mr. Nikhil Gowda N, Assistant Professor, BGSFGC. More than 200 Students participated in the Guest lecture program. The program was completed by vote of thanks by Mr. Nikhil Gowda N, Asst. Professor.

IT EMPLOYABILITY BY TCS

Report

TCS and Corporate Social Responsibility

The guiding principle of Tata Consultancy Services (TCS)' Corporate Social Responsibility (CSR) programs is 'Impact through Empowerment', where empowerment is a process of strengthening the future today, so that risks are minimized and certainty is experienced. TCS makes this happen using its IT core competence and active involvement of its employees and leadership team. The core areas of focus for TCS' CSR initiatives are education & skill development, health & wellness, environmental sustainability and support to the disadvantaged sections of society. One such program devised to enhance the employability skills of rural undergraduate students, promoting inclusive growth is **IT Employability**.

IT Employability - Social Context

While engineering contributes to 29% of total hiring in India, the employability of engineering students for technical and software role is less than 20%. In rural regions, the lack of English and Computer skills affect the employability prospects of capable students (More than 60% of undergraduates lack apt skills). Also, trained, multifunctional, and skilled youth from rural areas perceive their cultural identity as a weakness and need help to build the requisite confidence, courage and knowledge to work with employers in and outside of India. Most employers recruit students largely from reputed colleges as the skills gap between the urban/rural and top 100 and other college is more than 35 %, which means that students from rural regions do not get a platform to showcase their potential and gain a rightful place in the industry. Hence, it is essential to focus on improving the employability of rural students.

160 hours self-preparatory content executed in 24 days. There are 3 modules covering Business Skills, General Aptitude & Reasoning and Technical skills involving programming languages like C/C++/Java. This training starts during V semester and continues in a phased manner till VII semester.

The program for science students comprises of 160 hours weekend sessions along with 120 hours self-preparatory content executed in 20 days. There are 3 modules covering Business Skills, General Aptitude & Reasoning and domain skills like Assurance, IT IS and C programming. This training starts during IV semester and continues in a phased manner till V semester.

A key highlight of the program is that, it is completely volunteer driven by TCS associates visiting these colleges in remote pockets of India to conduct these sessions. Post training, all students are provided with an opportunity to attend TCS placement drive. Program follows a procedure manual for execution covering areas like deployment process, data management, feedback from partners/volunteers/students, evaluation of partners/students/volunteers, measurement of outcomes & impact measures, recognitions etc.
